EXPERIENCE

2025 | Present

STYLIST
Freelance
Seoul, Tokyo, London,
New York, Chicago

Self-directed, team projects

- Conceptualize, develop, and execute editorial styling projects with an emphasis on mood, narrative, and visual cohesiveness
- Conduct visual research to develop moodboards and references which guide creative/art direction and the execution of projects
- Communicate and collaborate with photographers and other team members to translate conceptual ideas into readable elements
- Manage logistical details such as scheduling, garment sourcing, and shoot location

2024 | 2025

STUDENT EXHIBITION CURATOR
Fine and Applied Arts
Champaign-Urbana

- Collaborate with other university students and faculty members to curate art exhibitions for local artists.
- Manage exhibition logistics and developed detailed plans translating and showcasing exhibition purposes and artist intentions as an extension of artistic practices.

2022 | 2024

EVENT PLANNING COMMITTEE,
GRAPHIC DESIGNER
STYL Project
Champaign-Urbana

Served as an event planning committee member of a registered, student-run club for fashion called STYL Project.

- Conducted research and organized event plans to pitch to the executive committee. Plans focused on promoting and drawing more student engagement to the fashion scene on the university campus
- Communicated and collaborated with fellow executive committee members to cohesively execute plans and manage logistical details
- Created and designed event and club-related flyers
